WELCOME!

Dear Parents and Players,
Welcome to Genesis Football Club (GFC)! We're excited to have you join us on this soccer journey. At GFC, we focus on fun, skill development, and teamwork. Together, we'll create unforgettable moments and help your child grow both as a player and as a person.

At GFC, we believe that soccer is more than just a sport; it's a platform for character development and the embodiment of the Ubuntu spirit. We're dedicated to shaping not just skilled players, but well-rounded individuals who exhibit the highest standards of character both on and off the field.

Our program is built on the foundation of six core values, often referred to as the 'Six Pillars of Character':

Respect: We teach our players to treat everyone with respect, from teammates and coaches to opponents and referees. Respect is the cornerstone of sportsmanship and fosters positive relationships.

Responsibility: Being accountable for one's actions is crucial in soccer and life. We instill a sense of responsibility in our players, encouraging them to own up to their mistakes and work hard to improve.

Fairness: Fair play is at the heart of the beautiful game. We emphasize the importance of fairness, integrity, and ethical conduct, both on and off the field.

Caring: In soccer and in life, compassion and empathy are invaluable qualities. We encourage our players to care for one another, offer support in times of need, and be good teammates.

Citizenship: We believe that soccer players are also citizens of the world. We teach our players to contribute positively to their communities and to be responsible global citizens.

Trustworthiness: Trust is the foundation of any team's success. We emphasize honesty, reliability, and the importance of keeping one's word.

- Players from all backgrounds are welcomed.
